WHITELEY CHURCH

Saturday 23rd June 9.30am – 4pm Myers-Briggs Introductory Workshop

- Ever wondered why people look at the world differently?
- Why you understand some people well and don't understand others at all?
- Why you get on well with some people and not with others?
- Why some people talk a lot and others say far less?
- Why some thrive on change and others find change really hard?

If you have wondered about the diverse and often amazingly different ways that people important to you, or just people around you, seem to look at the world or react to situations, the MBTI will interest you. If you have a problem understanding or communicating with someone you care about – a parent, a child, a co-worker, or someone else – the MBTI may be just what you have been looking for.

The Myers-Briggs Type Indicator (MBTI) is a tool for learning more about ourselves and those around us. During the workshop we will look at our uniqueness, and at the similarities that we often share.

The workshop will be run by Rev Sandy Matheson who is a qualified Myers-Briggs Practitioner.

There will be a charge of £25 with all proceeds going to support the St Paul's Building Fund. Bring your own lunch, drinks will be provided.

If you have any questions please email sandy@spsg.org.uk

Saying Goodbye

When a baby is lost, whether during pregnancy, at birth or in infancy, it is a devastating experience for the parents and the extended family.

Sadly for people that lose prior to 24-weeks gestation, services to commemorate the life that has been lost are seldom held, while for parents who lose later in pregnancy, at birth or in early years, the parents are usually in the depths of grief when a service is held.

The Saying Goodbye services are the first international set of remembrance services, for people who have suffered the loss of a baby at any stage, and whether that be recently or decades ago. They provide a time and place to acknowledge and remember your baby, whilst collectively 'saying goodbye'.

The services also welcome anyone grieving the fact that they have been unable to have children.

The services are for people of any faith or no faith, are free to attend, no tickets need to be booked, and people are invited to bring family, friends and children with them. Held at cathedrals and similar venues across the globe, chosen for their beauty and grandeur; a wonderful tribute is created for all lost babies.

Together we will stand and say, "our children may have only been on this earth for days, weeks, months or years, but they were truly loved, and will always be missed!"

12 May 2018 | 10.30am | Winchester Cathedral, Winchester

For up to date service details, please see www.sayinggoodbye.org

The Mariposa Trust is the charity that runs the Saying Goodbye services, and is supported by wonderful Ambassadors including Professor Robert Winston, Nigella Lawson, Jools Oliver, Mary Nightingale, Kym Marsh, Caroline Quentin, Julie Etchingam and Professor Lesley Regan.
